## **At Disney California Adventure Park**

A spell will be cast as guests enter Disney California Adventure. Oogie Boogie takes over with his twisted tale of a forever Halloween, inspired by "Tim Burton's The Nightmare Before Christmas." Oogie Boogie's oversized silhouette will beckon guests through the main entrance of the park, and hover over a swarm of bats that circle around Carthay Circle Restaurant and Lounge.

Halloween décor extends along Buena Vista Street to Carthay Circle, where guests will encounter a 10-foot-tall statue of the Headless Horseman holding his jack-o-lantern head to the sky.

The citizens of **Cars Land** will celebrate Halloween by turning Radiator Springs into Radiator Screams. The entire land will be transformed with a special Haul-O-Ween makeover as the townsfolk of Radiator Springs don Halloween costumes and decorate their respective homes for the season.

Guests will encounter Lightning McQueen, Mater, Cruz, Red and DJ in “car-stume” as they get ready to go “trunk-or-treating.” Popular Cars Land attractions will transform as well: Mater’s Junkyard Jamboree takes on a spooky tone as **Mater’s Graveyard JamBOOree**, and Luigi’s Rollickin’ Roadsters gets a seasonal twist to become **Luigi’s Honkin’ Haul-O-Ween**.

Guardians of the Galaxy – Mission: BREAKOUT! will transform nightly into **Guardians of the Galaxy – Monsters After Dark**, bringing Halloween adventure to this popular attraction. As the sun sets, the attraction’s exterior goes dark and then suddenly powers back up with lighting effects, a signal that something has gone awry. The Guardians have successfully escaped The Collector’s Fortress, but have accidentally left Groot behind. Guests will help Rocket distract the creatures that have been released so he can find and rescue Groot in this exciting seasonal overlay.

### **At Disneyland Park**

The Halloween magic continues at Disneyland, where guests will enjoy beautiful décor on Main Street, U.S.A., including a giant Mickey Mouse jack-o’-lantern and a Pumpkin Festival. In Frontierland, guests will encounter the colorful Día de los Muertos tribute, an exhibit that commemorates the Mexican holiday of Day of the Dead with a musical trio of iconic skeleton figurines, brightly colored flowers and other decorative items.

Two popular attractions will transform into their annual Halloween themes, delivering Halloween thrills for guests who dare to take a ride. Haunted Mansion will become **Haunted Mansion Holiday**, inspired by the Walt Disney Pictures classic “Tim Burton’s The Nightmare Before Christmas.” The seasonal attraction celebrates the collision between Halloween and Christmas as Jack Skellington offers his unique take on the holidays.

Space Mountain in Tomorrowland will become **Space Mountain Ghost Galaxy**, a reimagining of the popular attraction. Guests on board the speeding Space Mountain vehicles are thrust into a ghostly galaxy where they are surrounded by eerie screams, sound effects and music. Spine-chilling spirits pop out of the darkness, appearing to reach out and menace the space travelers.
