

The Hotels Of The Disneyland Resort: Fact Sheet

Disney's Grand Californian Hotel & Spa

Capturing the spirit of early California through inspiring design and daring architecture, Disney's Grand Californian Hotel & Spa is a deluxe 948-room resort hotel property, offering a premium option for business or pleasure visits to the Disneyland Resort. Recently completed an exciting, hotel-wide renovation, this AAA Four-Diamond hotel is the first Disney resort hotel in the world to be located inside a theme park—Disney California Adventure—making stays at the deluxe hotel a uniquely themed experience.

Disney's Grand Californian Hotel & Spa celebrates the romantic Arts & Crafts movement of early 20th century California. Designed to capture the artistic exploration of California's coastlines with its Monterey pines and redwood forests, the hotel is layered with the memories of the arroyo craftsmen, the mission pioneers and the Plein Air school of painters.

Recent renovations to the Disneyland Hotel include a new pool and water play area, featuring slides and a splash pool in an architectural design reminiscent of the 20th Century Disneyland Hotel Monorail Station. Guests can grab a bite near the pool at Tangaroa Terrace, or sip on tropical cocktails and flavorful juices at Trader Sam's Enchanted Tiki Bar.

Disney's Paradise Pier Hotel
