

Guy Fieri and Robert Earl Join Forces to Launch a New Concept, Chicken Guy! at Disney Springs at Walt Disney World Resort

LAKE BUENA VISTA, FL — (July 25, 2018) Following one successful collaboration between celebrity chef, Guy Fieri, and restaurateur, Robert Earl, the two dynamic forces have come together to create a new concept that will launch its flagship location at [Disney Springs](#) at Walt Disney World Resort in Lake Buena Vista, Fla. Chicken Guy! is a fast-casual chain dedicated to serving delicious, succulent chicken tenders paired with a wide variety of flavorful sauces meant to please all palates.

The menu at Chicken Guy! will feature one-of-a-kind all-natural fresh chicken tenders, hand-pounded to maximize crunch and paired with a wide selection of delicious sauces. Brined in fresh lemon juice, pickle brine and buttermilk, and infused with fresh herbs, these tenders deliver on flavor and texture. The menu features the tenders—grilled or fried—in sandwiches, straight up on skewers, or in meal-sized salad bowls, and a wide array of sauces to enjoy with the chicken as well as tempting sides like Guy Fieri’s fries, crowd pleasing mac ‘n cheese, fried pickles and fresh slaw. If all of that isn’t enough to satisfy, Chicken Guy! has two delicious Flavortown Frozen Treats that will make anyone’s mouth water! Guests can end their meal on a sweet note with the Triple Double Ice Cream Treat, a large cup of deliciousness combining triple chocolate and double mint, that may cause a few cases of brain freeze or the Cinnamon Apple, a heaping cup vanilla soft serve ice cream smothered in Cinnamon Toast Crunch & Apple Jacks cereal, yum!

“I’ve had the pleasure of getting to know Guy—first with the launch of his sandwich and burger menu at Planet Hollywood. Since then, we have kept in touch, determined to work on more projects together,” said Planet Hollywood Founder and Chairman Robert Earl. “We have found the perfect venture with Chicken Guy!, certain to be a crowd-pleaser. I have personally tasted all the menu items and can’t wait to open at Disney Springs and across the country, because I know our guests will love what Guy has put on the menu.”

Fieri, a chef, entrepreneur and New York Times bestselling author, has brought his signature blend of authentic-meets-surprising flavors to Chicken Guy!, once again creating crave-worthy blends of spices and seasonings that keep his fans coming back for more. In this new concept, Fieri has taken the always popular chicken tender, endowed

it with a proprietary blend of flavors, and provided guests with a myriad of delicious sauce options resulting in endless combinations of flavors.

“I’m stoked to be building Chicken Guy! with my friend, Robert Earl,” said Fieri. “It’s all about the real deal, all-natural chicken but lemme tell you, our sauce game is on point.”

Opening this summer, Chicken Guy! Is located in the heart of Disney Springs. With a whimsical design that will delight guests as they place their orders, innovative packaging that will make carrying out and enjoying

food on the go fun and easy—and, of course, seating will be available indoors and out. No detail has been overlooked in providing the best possible guest experience.
