LAKE BUENA VISTA, Fla. (Oct. 14, 2016) — Beginning Nov. 24, Princess Elena of Avalor – the first Disney princess inspired by diverse Latin cultures – will begin to greet guests alongside other royal friends at Princess Fairytale Hall at [Magic Kingdom Park](#). At Princess Fairytale Hall, guests can choose between a meeting with [Elena and Cinderella](#) or a visit with [Rapunzel and Tiana](#). Princess Elena of Avalor first made her grand debut at Magic Kingdom Park back in August, with Cinderella officially welcoming her to the kingdom in “[The Princess Elena Royal Welcome](#)” stage show. Guests can continue to experience this show throughout the fall.

A brave and adventurous teenager, Princess Elena embodies all the qualities of a classic Disney princess, displaying thoughtfulness, resilience and compassion. She has the heart and mind of a true leader, making her a princess for everyone.

Elena’s arrival at Walt Disney World Resort follows the launch of the new animated series, “Elena of Avalor,” which premiered in a simulcast on Disney Channel and Disney Junior in July. It ranks as the #1 series telecast among all kid-targeted TV networks in total viewers, kids 2-11 and adults 18-49, for 2016 to-date.
